

# Ages 4-7 Football Development Course

Advance Sports Ltd

Advanced Sports Limited are delighted to announce that we will be running a Saturday morning football club at Didcot Town F.C. beginning on the 9th July 2011 for all youngsters aged between 4 and 7. The course is specifically designed to teach children all the basic techniques involved within the game from simple control and pass movements to running with the ball, dribbling and shooting within non competitive, fun scenarios. All the coaches will be on hand to encourage natural development and ensure each child is allowed to explore their own abilities weather they have played the game before or not and regardless of age, ability or gender.

If you are looking for your son or daughter to get into football and continue their development within a safe and secure environments but are worried they may not like it or it may seem too much for them come along and have a look or try it before you commit to the course. All 'Advanced Sports Limited' courses are offered with no obligation other than for children to have fun and enjoy themselves within environments that are safe and productive. We hope to see you soon!!!

## Course Details
