

Didcot Town F.C. Football Summer Holiday Course

Advance Sports Ltd

Advanced Sports Limited are delighted to announce that, following the success of the development centres we have been running throughout Thame and Oxford, we will be running 'Football Development Weeks' throughout the Summer holidays. The courses are designed to cater for all children, regardless of age, ability, gender or social status who have a desire to play football and learn all the techniques and skills involved to maybe become the next 'Lionel Messi' or 'Christiano Ronaldo'.

Each player will take part in different activities throughout the week, being challenged through a variety of fun games that will both inspire and encourage natural development and inclusion finishing with small sided games and the chance to challenge and beat the coach in the infamous 'Coaches Challenge'.

All children who attend will have the assurance they will be given activities they can comfortably achieve by training and developing alongside other players of similar ability and age.

We hope to see you there in the summer!!!!
