PLAYER QUALIFICATION DATE

The player qualification date is 12 noon on Friday 16 September 2011, this includes replays and postponements. A “registered player” is one who is either, in the case of a player under written contact, registered with The Association or, in the case of a player without a written contract, registered with a League in which his Club competes in the current season. Any such registration must have been received and accepted by The Association or League by 12 noon on the Friday previous to the date fixed for playing the Round, and the registration must be continuous through to the date of the match.

Therefore, all players must be registered by 12 noon on Friday 16 September 2011, for any ties played in this round irrespective of the date of the game. Clubs need to check all new players and even current players. Please also check with the FA Registrations Department relating to players under contract including players on temporary transfer and work experience players.

GROUND SHARING

Clubs with ground sharing agreements must arrange for ties to be played on Friday, Saturday or Sunday. If a clash of fixtures occurs with the sharing club, if for any reason a tie is unable to be played on the ground of the first drawn club on a Saturday, the tie must be played on either the day before, i.e. on Friday, or the day after, i.e. on Sunday on the ground of the first drawn club. If clubs are unable to agree on the date, then it will be played on the Sunday, unless the Council decides otherwise. The decision of the Council shall be final and binding.
